

Henry's Profile

for meeting the Amarin Family

What people like and Admire about Henry:

- Henry is very kind and always wants to help others. He received the 'best helper' award in his classroom!
- Henry has a great sense of humor and a great memory. He makes us laugh by repeating funny movie quotes.
- Henry loves to learn new things, especially facts about animals. He knows the names of all dinosaurs!
- Henry has a big imagination and is very creative. He draws 'picture jokes' to make others laugh.

How Henry wants to be supported:

- Henry has a great memory, but he may need additional support and reminders about upcoming events & appointments. Help him make a visual schedule to plan out the week. Make sure Henry knows when he will next talk to or see his parents.
- He may need extra processing time when given directions. Break directions down into 1-2 steps. Let Henry know when he is being a great helper!
- He does not like loud noises or crowded environments. Help him identify calming techniques to use when he is feeling overwhelmed.
- Henry is happy when he spends 1:1 time with caregivers. Ensure he feels safe and comfortable with the adults supporting him.

What makes Henry happy:

- Making others laugh, especially his parents.
- Spending time with his best friend, Parker, at school and on the weekends. They both love the trampoline park!
- Playing with LEGOS (they help him stay focused and calm)
- Henry loves celebrating Chinese New Year with his extended family. He loves to talk about it and plan for it throughout the year.
- Watching Princess & The Frog (Tiana is his favorite Disney Princess)
