Creating a Future of Opportunity

Our Vision

We envision that through healthy relationships and networks of support, all people are safe, valued and prepared to create the future they want for themselves, their families and their community.

Our Mission

UpValley Family Centers provides guidance, support and resources in the community, in the home and for the individual, so that everyone can achieve a better life.

Our Model

The UpValley Family Centers operates as a *Family Resource Center*, which is endorsed by the California Department of Social Services as a best practice for serving families and strengthening communities. Taking a prevention-focused, community-responsive approach, our services are culturally sensitive and aim to help families and communities build on the strengths they already possess to create a future of opportunity for themselves. We serve children, youth, adults, and seniors who live and/or work in the rural communities of Calistoga, St. Helena, Deer Park, Angwin, Pope Valley, Lake Berryessa, Oakville, and Rutherford.
