

2018 UNIT PRODUCT TRANSFER FORM

Units that need additional product may utilize this form to transfer product between units rather than having to return product to the Council first.

Upon receipt of the properly completed form, the Council will process the transfer in the popcorn system. Transfers will be entered into the system within a few business days and can be confirmed, by the unit, by logging into the popcorn system. To avoid duplicate entry, the **selling unit** is responsible for sending a copy to the Council Service Center (signed by both leaders).

If both units are receiving popcorn, two forms must be completed.
