Rules & Regulations

These rules and regulations are a bona fide part of the booth contract for exhibit space with the American Association of Nurse Anesthesiology Annual Congress (hereinafter referred to as "AANA," "Show," "Exposition"). Meeting Management Associates, Inc. (hereinafter referred to as "Show Management") and/or AANA reserve the sole right to render all interpretations, amend and enforce these regulations and to establish any and all further regulations not specifically covered below to ensure the general success and wellbeing of the Show. Each exhibitor, for itself, its employees, and its contractors, agree to abide by these regulations and by any amendments or additions hereafter made by Show Management and/or AANA. Show Management and/or AANA reserve the right to decline, prohibit, deny access or remove any exhibit which in its sole judgment is contrary to the character, objectives, and best interests of the Show or suitable for its attendee audience. This reservation includes, but is not limited to, any violation of public policy, these rules and regulations, host facility's rules and regulations and extends to persons, things, printed matter, products, and conduct. AANA or Show Management reserves the right to refuse applications that do not meet the standards required or expected, as well as the right to curtail exhibitors or parts of exhibits that reflect against the character of the meeting or does not act in an ethical or respectful manner towards others.

VALID APPLICATION FOR SPACE

Applicants for exhibit space are required to complete the online application via the online Exhibitor Portal. To be confirmed, each application must pay in full for each booth space requested and must be approved by AANA or Show Management. **Applications may be refused or exhibit space restricted for any company and/or services solely determined by AANA and/or Show Management. At the sole discretion of AANA and/or Show Management, applications may be denied if products and services are deemed unsuitable or in conflict with the meeting or event. AANA and/or Show Management does not accept applications from exhibitors that display or sell beauty or anti-aging products, LED skincare, infrared products, TENS units, EMS units, or unapproved insurance and financial companies. Should an exhibitor be found to be providing any such products or services on the exhibit floor, then such exhibitors shall be removed immediately with or without notice, with no refund of funds paid, and with no liability to AANA or Show Management.**

PAYMENT OF SPACE

AANA's Federal ID# is 36-2113743.
The exhibitor agrees to enclose with this application the required payments as outlined. Payments must be made payable to the American Association of Nurse Anesthesiology and forwarded to AANA Show Management, 16 West State St, PO Box 723, Sherburne, NY 13460.

CANCELLATION AND REFUNDS

All cancellations of booth space must be received in writing by Show Management. If space is reduced, the net reduction of space will be treated as a cancellation of that space. If Show Management receives a written request for cancellation of space by May 7, 2027, the exhibitor will be eligible for a 50% refund of the total booth cost. No refunds will be given after May 7, 2027.
It is expressly agreed by the exhibitor that in the event it fails to pay the space licensure at the times specified, or fails to comply with any provisions contained in these regulations concerning its use of exhibit space, Show Management shall have the right to reassign the confirmed booth location shown or to take possession of said space and lease same, or any part thereof, to other parties upon such terms and conditions as it may deem proper, with or without prior notice. In the event of a default by the exhibitor, as set forth in the previous sentence, then in addition to AANA's and Show Management's other rights and remedies hereunder, the exhibitor shall forfeit the amount paid by exhibitor for its space reservation, regardless of whether or not AANA or Show Management enters into a further lease for the space involved. In case the exhibition shall not be held for any reason whatsoever, then and thereupon, the licensure and lease of space to the exhibitor shall be terminated. In such case, the limit of claims for damage and/or compensation by the exhibitor shall be the return to the exhibitor of the prorated amount already paid of space for this specific event.

SPACE RENTAL AND ASSIGNMENT OF LOCATION

Assignment of space, after the initial first round of assignments based on Priority Points have been made, will be based on the order in which

applications are received and on the availability of space requested. Payment in full must be received before space assignment is confirmed. A floor plan of the exhibit area is available online. Review carefully and note the locations of entrances, exits, height restrictions, columns, etc. before indicating your preferred booth on the application. If this space is not available, you will be provided a space in as close a proximity as possible or Show Management may opt to contact you to discuss alternative options. Exhibitors that wish to avoid assignment of space adjacent to a particular competitor should indicate that on the application. Careful consideration will be given to all such requests, but are not guaranteed. AANA or Show Management reserves the right to relocate or reassign exhibit booths at any time for the overall benefit of the meeting.
