Learn About Our Participants

The National Association of Pediatric Nurse Practitioners is the nation's only professional association for pediatric nurse practitioners and their fellow pediatric-focused advanced practice registered nurses dedicated to improving the quality of health care for infants, children, adolescents and young adults. Our conference attracts pediatric nurse practitioners (PNPs), family nurse practitioners (FNPs) and other pediatric providers practicing in a wide variety of settings. Representing more than 8,000 health care practitioners nationwide with 18 special interest groups and 53 chapters, our association has been advocating for children's health since 1973. We are the first national nurse practitioner professional society in the US.

Pediatric-focused APRNs are key decision-makers in pediatric health care and are the providers who spend time talking to parents.

Connect with Pediatric Health Care Leaders

Exhibiting at conferences can be a big investment for your company or organization. NAPNAP works hard to make sure that investment pays off. As The Leader in Pediatric Education for Nurse Practitioners®, our conference attracts more than 1,200 pediatric nurse practitioners (PNPs), family nurse practitioners (FNPs), and other pediatric-focused advanced practice registered nurses (APRNs) from across the country.

When you exhibit and sponsor at our conference, you connect with leaders working in primary care, specialty care, acute care hospitals, hospital-based clinics, emergency rooms, urgent and convenient care clinics, public health facilities, school-based health centers and more.

PNPs and their fellow pediatric-focused APRNs are a valuable part of the health care team, interacting with parents, patients, physicians and other professionals on a daily basis. They order diagnostic tests, prescribe medications, give immunizations, coordinate services and refer to other professionals as appropriate for newborns, infants, children, adolescents and young adults. In addition, they provide education, support and health care counseling to the families of their patients and are in demand due to consumer recognition, acceptance and satisfaction.

As an exhibitor or sponsor you will have three days to showcase your products and services to health care leaders truly interested in learning and educating their practice colleagues and patient families. Your time will be well spent at our 47th National Conference on Pediatric Health Care.

About Our Conference

We host a robust conference that includes more than 80 general, concurrent and poster presentation sessions, as well as certification review courses and intensive, interactive pre- and post- conference workshops. Participants can earn more than 20 hours of continuing education contact hours, including highly sought after pharmacology hours. There are dozens of leadership meetings, trainings, networking events and socials.

Boost Your Opportunities to Connect With Participants

Hosting special events within our conference is another great way to connect with our participants about innovations that can improve their practices and patient outcomes. Ancillary symposia and product theaters attract large audiences interested in expanding their knowledge on specific conditions and treatments.

Ancillary Events

These highly popular (sold out in 2025) breakfast or lunch events provide you the opportunity to share information in a more social setting. Select from our two options:

Continuing Education (CE) Symposia

Provide an opportunity for registrants to obtain high quality, evidence-based, current information on a pediatric health topic and must offer National Association of Pediatric Nurse Practitioners CE contact hours.

Non-CE Product Theaters

Offer registrants information on specific products and/or therapeutic areas provided by company-designated presenters. Material may be promotional and may concentrate on a specific product or drug but cannot offer CE contact hours.

Exhibit Hall Product Showcases

Need more time to connect with attendees on a particular topic? Consider hosting a 30-minute product showcase in our Exhibit Hall for demonstrations or informational sessions that focus on specific products, services, opportunities or therapeutic areas. Your company-designated presenter can present and respond to audience questions during these non-continuing education sessions.

Product showcases include a 30-minute session, screen/projector, laptop and pre-set seating. Check our website, napnap.org, for more information and pricing.

Ancillary events cost \$24,750 plus food, beverage and audio visual.

Special Events Contact

For more information or to book your Ancillary Events or Exhibit Hall Product Showcase, please contact Heather Keesing, Special Events Coordinator at hkeesing@napnap.org.

All educational activities for CE distributed within the Exhibit Hall must be submitted and pre-approved by Show Management.

SOCIAL FUNCTIONS

Any social function or special event planned by an exhibiting company, organization or recruiter, to take place during our Event, must be pre-approved by NAPNAP. Accordingly, it shall be the responsibility of Show Management and exhibitor, respectively, to secure its own insurance or otherwise protect itself and its property against such loss or damage.

USE OF CERTAIN PROPERTY

Exhibitor will assume all costs arising from the use of patented, trademarked or franchised materials, devices, processes or dramatic rights used on or incorporated in the exhibitor's space. No delay or omission by Show Management in exercising any of its rights shall operate as a waiver of such rights and a waiver of such rights in writing on one occasion shall not be construed as a consent to or a waiver of any right or remedy on any future occasion.

ATTORNEYS' FEES

Should Show Management find it necessary to employ an attorney or attorneys to enforce any of the provisions of this agreement or to protect in any manner its interests or interests under this agreement, Show Management, if it is the prevailing party, shall be entitled to recover from the other party all reasonable costs, charges and expenses, including attorneys' fees.
