

Protecting children and strengthening families is the responsibility of every member of the community.

While not everyone can be a foster parent, we can all contribute in some way to help a child or family in need.

Help us give children in foster care a brighter future. Make a Contribution.

Most children in foster care arrive at their first placement with little to nothing in their possession. Your financial or in-kind donation can make a significant difference in the life of a child in our community.

Your Financial Contribution Can Provide Children With:

- **Positive & Enriching Activities:** Summer camps, field trips or music lessons
- **Gifts for holidays, birthdays and graduations**
- **Clothing and shoes**

Support Foster Families by Donating:

- **New Car Seats**
- **Gift cards**
- **High chairs**
- **Back-to-school supplies**
- **Toys**
- **New or gently used duffle bags**

Foster a Future.
