

## Sign Gift Hymnals for Our Bridging Seniors

It has long been our tradition to wish our graduating high school seniors well as they transition to young adulthood and the world beyond FUSW. Our bridging service will be on Sunday, May 31.

This year, we want to make it extra special for our three graduates. They are Grace Woodin, who is heading to Binghamton University school of management, Thea Trosclair, who is bound for Tufts on a pre-veterinary med track, and

Blanca Vasquez, who is going to attend WCC in the Culinary program.

One of our most cherished traditions is to sign a hymnal for each graduate. Naturally, we are going to do this a little differently this year. On Saturday, May 23, from 12:00–2:00pm at FUSW, we will have a table set up in front of the building. We will supply pens and hand sanitizer, and all will stay at a safe distance in our masks, as we wave a quick hello and sign the hymnals one at a time. We hope this will be a nice surprise for our bridgers as the hymnals are presented to them on the 31st.

If you would like to sign the hymnals but can't make it on this day and time, Nancy (914-325-3466) and Denise (914-231-7214) have graciously offered to arrange to meet up with you at another time. (Denise will have Blanca's hymnal.) Please contact them if this is the case. And remember, it's a surprise!
