It couldn't be clearer: the 2018 Election is all about voter turn-out! Let NY Vote is teaming up with Generation Vote NY to increase turn-out among millennials for next month's primary election using a tried and true method for reaching millennials.

[Join a text bank team on Saturday, September 8 or Sunday, September 9 and make a difference!](#)

All you need is your cell phone, we'll set you up for the rest. You'll **text young NY voters who don't always vote in local elections** to remind them that our crazy primary election date this year is Thursday, September 13.

Last year, in just 2 evenings, Generation Vote NY was able to text almost 38,000 young voters.

Time to stop wringing our hands about low voter turn-out and make a difference! [Sign up now!](#)

Volunteers Needed For Community Shower Program at the Yonkers Family YMCA

For the past year Community Voices Heard and the Yonkers Family YMCA have teamed up to provide showers to our homeless neighbors twice a week, on Mondays for men and on Thursdays for women.

The program is staffed by community volunteers who distribute towels and soap, sign people up to take showers, and bring participants to the shower area. Volunteers supervise participants of their own gender and commit to help out between 6:15-8:15 p.m.

We are looking for more volunteers for a possible expansion to more nights a week. We are also always seeking donations of toiletries and towels.

If you have donations or are interested in volunteering your time please call or email Laura Case at 347-375-7081 or cinderquail964@gmail.com or John Thompson at the YMCA at 914-963-0183. Thank you for supporting this important project.
