### *An invitation from the Caring Committee*

The Caring Committee of the First Unitarian Society of Westchester helps to see that no one is forgotten in their time of need. Occasionally, a member or friend of the congregation needs special attention due to illness or other circumstances. The Caring Committee maintains a list of congregants who are willing to help in such times (we periodically update the list).

We want everyone to be a member of the committee, as everyone has something to offer to others in need. When we know of a congregant in need and we can assist, we respond readily and willingly, not leaving it for an official committee assignment.

We all should be active on the Caring Committee. If we are in need, we should feel comfortable asking a friend in the congregation for support. If we know of someone who could use assistance, we should be sure caring members of the congregation know and respond.

Kay Semenza and Joan Livingston have agreed to be the Caring Committee Contact Persons to receive requests and coordinate responses.

Please indicate your interest in participation in this aspect of our congregational life. All participation is, of course, subject to your availability at the time of the request.
