*Until one is committed there is hesitancy, the chance to draw back, always ineffectiveness. Concerning all acts of initiative or creation, there is one elementary truth...that the moment one definitely commits oneself, then Providence moves, too. All sorts of things occur to help one that would otherwise never have occurred. A whole stream of events issues from the decision, raising in one's favor all manner of incidents and meetings and material assistance which no man would have believed would have come his way. Whatever you think you can do or believe you can do, begin it. Action has magic, grace, and power in It. - W.H. Murray The Scottish Himalayan Expedition*

*Carefully watch your thoughts, for they become your words. Manage and watch your words, for they will become your actions. Consider and judge your actions, for they have become your habits. Acknowledge and watch your habits, for they shall become your values. Understand and embrace your values, for they become your destiny. - Mahatma Gandhi*
