

WHY WE LOVE MACK TOWN

McKinleyville Community Pop-up Museum

Do you have historical McKinleyville photos artifacts, local art, photography or otherwise interesting items—reflective of our town—past, current or future?

The McKinleyville Organizing Committee (MOC)—a group of citizen volunteers—aims to create a limited-run, community-run, museum event that will showcase our town's past and current influences, develop and expand community bonds, and provide opportunity for citizen involvement in creating our town's common future. In addition to items for museum exhibition, we are seeking community members to join our museum team!

Targeting a May 2019 opening, the museum event will coincide with the run-up to this year's Pony Express Days.

We are also seeking Business sponsorship for our community museum. Business sponsors will be gratefully acknowledged on-site at the museum, as well as in local media. Wish List for Business Sponsors: 30 chairs for 30 days; 30-day use of ten large tables, cash donations for printing and production needs.

To loan the museum items, join our team, or for sponsorship information, please email kellybrookgarrett@gmail.com or contact Kelley Garrett of the MOC at (707) 497-4376.
