

A basketball tournament was held, and Hackettstown won the bracket! Countywide agencies and partners also came together again to support the mental health needs of the community. Parent to Parent, Hope One Van, Firth Youth Center, Family Support Organization of Hunterdon, Somerset & Warren, Norwescap, Hispanic Resource Center of Northwest NJ, Catholic Charities, Contextual Family Services, Healing and Light Reiki, Family Guidance Center, DASACC, and NAMI-Warren. This event included a special appearance by Emmy-nominated rapper/actor, T.O.N.E-z. He spoke on mental health and the importance of asking for help and recognizing when others may need help as well. Fun activities included a photo booth, painting, table games, martial arts, giveaways and ended with music and a dance.

There was a large presence from Warren County Awareness Addiction Task Force, Warren County Department of Human Services, and law enforcement agencies. Another HUGE success with fun had by all!
