

EPA Masks Point of Distribution **UF/TREEO Center**

Please note that only **five (5)** masks are allowed per Utility employee. The utility representative coming onsite should adhere to the Centers for Disease Control and Prevention (CDC) guidelines, which includes but is not limited to wearing masks and maintaining social distancing. Requests will be filled in the order that they are received until the supply is exhausted. If additional supplies are acquired, we will resume with the next order to be filled on the list.

Please complete the attached form with the following information and email it to rtrygar@treeo.ufl.edu with "Masks" in the subject line **prior** to visiting our facility because we have limited staff onsite.
