

Connectional CHURCH GRANT 2021

We are excited to announce the commencement of the 2021 Trinity Presbytery Connectional Church Grant program!

Last year, 30 congregations applied for and received a Trinity Presbytery Connectional Church (TPCC) Grant, made possible by the shared mission giving of our congregations to the Unified Benevolence Giving of Trinity Presbytery. The purpose of the TPCC Grant is to empower congregations of Trinity Presbytery to demonstrate the love of God through engaging in local mission opportunities by

- 1) starting new local mission initiatives in the communities they serve,
- 2) expanding existing missional work in the communities they serve, and/or
- 3) upgrading their technology so that can extend their missional outreach to those in the communities they serve.

Each congregation presented an application which described their proposed project, along with a detailed financial plan in order to receive up to \$950.00 from Trinity Presbytery. Each recipient (church) was also required to submit information (a story) to the Mission and Evangelism Team of Trinity Presbytery describing how the funds were used to engage in local missional opportunities. You may have seen stories from the recipients in E-news.

The 2021 TPCC Grant application form (for up to \$1,000) is available in both PDF ([click here](#)) and Microsoft Word ([click here](#)) format. Please read the instructions closely as you prepare your grant application.
