Church Law & Tax Webinars

Church Law & Tax presents various webinars throughout the year, many of them free. The 2021 webinar list is available [here](#).

You may also signup for their newsletter, which provide lots of free, helpful information for your church ministries.

Presbyterian Foundation Online Giving Program

Online Giving is here to stay! While some churches have maintained an online giving system for some time, many of us have been forced to figure out how to offer online giving for our churches. The Presbyterian Foundation offers an Online Giving Program that is simple, low cost, and easy to use. Read about the program [here](#).

PCUSA Special Offerings

We support the Special Offerings of the PCUSA, which join with congregations around the world to make an impact for those in need. Your church should receive resources prior to each offering, which you can then share with your congregation.

[Here](#) is a list of the four Special Offerings so you will know what time of the year they will be collected. Please give generously!
