

Partners in Ministry,

As a member of Trinity Presbytery, I'm excited to share that Cherokee Presbyterian of Gilbert is conducting an extensive outreach mission in Lexington County **June 20 - 26, 2021**. We'll be hosting a workcamp that consists of up to 400 young volunteers and their chaperones from all over the US to repair homes in the area for those unable to have them done for themselves – veterans, the medically challenged, the elderly and others.

We have received nearly 140 applications and plan to accept 40-60 of those homes to repair for no charge. As you well know, a project of this caliber takes a lot of resources and we are asking that you partner with us to help make this happen.

There are a number of ways your church can support this effort:

- **Donate to help sponsor the camp** – suggested amounts and incentives are listed on the website under the [sponsor tab](#).
- **Register your youth group to attend** - the more campers in attendance the more residents we can serve. We would love to have your youth serve side by side with us! For more information and to register, you can visit our Workcamp page on the [Group Mission Trips Website](#). Group Mission Trips has a [Covid-19 Plan](#) in place that you can access, as we know it will be a contributing factor.
- **Provide an afternoon snack for our campers** – up to 400 youth and adult volunteers. Snacks can be very simple and don't have to be terribly expensive. More details are in the [volunteer tab](#) of the website referenced below.

This is a great opportunity for us to all work together to help those in need in Lexington County, and we look forward to partnering with you to have the greatest impact possible. For more information, we welcome you to review our workcamp website at [lexcoworkcamp.org](#) or email us at lexcoworkcamp@cherokeepresbyterian.com or you can contact me personally, huck6865@gmail.com.

Thank you in advance for any support your church can lend!
Sincerely,

Larry Huckabee, Clerk of Session
