UNITED STATES NAVAL ACADEMY 2019
SUMMER STEM
PROGRAM
SCIENCE TECHNOLOGY ENGINEERING MATH

The United States Naval Academy Summer STEM program is designed to encourage rising 9th-11th graders to pursue a course of study in science, technology, engineering and mathematics. For one week, campers will create, build, and explore in world-class lab facilities and experience real-life application and learning at one of the Top 5 "Best Undergraduate Engineering Programs" in the country.*

*as ranked by U.S. News and World Report

Applications Open January 3, 2019

STUDENT SELECTION

- Students must be entering 9th–11th grade in the following school year.

- Selection is based on student accomplishments inside and outside the classroom.

- All applicants will be notified of their status by May 1, 2019.

Consider attending the United States Naval Academy's 2019 Summer STEM program.

| DATES	GRADES
June 3-8	RISING 9th
June 10-15	RISING 10th
June 17-21	RISING 11th

PROGRAM TUITION & TRAVEL EXPENSES

- The tuition to attend a session is $550. Some scholarships are available based on financial need.

- Local campers will be responsible for arranging transportation to and from the Naval Academy.

- Out-of-area campers will be responsible for arranging transportation to and from Baltimore-Washington International Airport (BWI). Once you arrive, buses and midshipmen will be on-hand to transport campers from BWI to the Naval Academy in Annapolis and back to BWI upon program completion.

- Commercial air travelers should arrive at BWI between 9:00 am and 3:30 pm on Day 1 of the program, and depart no earlier than 3:00pm on the last day of the program.

Applications Open January 3, 2019
