

Dear Families of the Freshman Class of 2022,

September 2018

It is my pleasure, on behalf of Campus Ministry, to welcome you to our St Joseph High School family. While the transition to high school can be daunting, it is our goal in Campus Ministry to provide the best possible introduction to life at St Joes for your son or daughter. Over the next few weeks – and certainly over the course of the next four years – we will provide opportunities that seek to engage their minds and hearts in matters of faith, service, and fellowship.

In the spirit of welcome and community, I remind all freshmen of an important evening retreat on **Friday, September 28, 2018, from 6:30-8:30PM**. It is our expectation that all students will attend. Uniforms are not necessary, but students should dress casual. We will gather together for a meal and fellowship, followed by a presentation by our senior Peer Ministers on the importance of faith in their lives. Small, student-led groups will facilitate discussion and encourage new students to get to know one another.

This new St Joes tradition will warmly welcome our newest “Cadets” as they begin their journey of faith, hope, and love in a community that values all.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jordan A. Smith".
