# SUMMER COURSES AT ST JOSEPH HIGH SCHOOL!

## June 24 - August 23, 2019

### Archeology Boot Camp

**7th, 8th, and 9th Grades**

**June 24 - 28**
**9:00am-12:00pm**
**$100**

Explore your inner Indiana Jones and unravel age-old mysteries without leaving campus in this hands-on experience!

Note: Expect to get your hands dirty (and probably your clothes as well).

### Robotics & Software Lab

**7th, 8th, and 9th Grades**

**July 8 - 12**
**9:00am-12:00pm**
**$100**

Build, program, and operate the industry-leading Hexapod robot!

Students will be introduced to design process, articulation, automation, computer science, and app development.

### Actors Workshop

**7th, 8th, and 9th Grades**

**July 8 - 19 (M-F)**
**9:00am-12:00pm**
**$150**

This Drama Intensive instruction includes basic acting skills such as voice production, movement, improvisation and scene work. This course is perfect for beginners and experienced performers alike.

### Introduction to Academic Writing

**8th & 9th Grades**

**August 19 - 23**
**12:30pm-2:30pm**
**$100**

Learn the basic elements of academic writing such as evidence-based arguments, formal tone, proper citation methods, appropriate language, paraphrasing techniques, well-structured paragraphs and a clear, thesis-driven focus.
