Thursday,  
September 13.

## St Joseph High School Freshmen Guide Application

The Office of Admission is in the process of selecting Freshmen Guides for the 2018-2019 school year. Freshman Guides serve as peer representatives for 7<sup>th</sup> and 8<sup>th</sup> grade students as they explore their high school options during shadow days. Excellence in the classroom, leadership at school and in the community, and a strong commitment to providing positive mentoring are qualities that are required of St Joseph High School Freshman Guides.

The Office of Admission schedules shadow days Monday through Friday from 7:45am-1:30pm beginning October 1, 2018. Freshman Guides allow visiting students to accompany them to classes and lunch. Freshman Guides share their own St Joe's experience in a responsible, positive, and professional manner.

Freshman Guide applications are due by **Thursday, September 13, 2018**. Applications can be submitted to Ms Oberle, Freshman Guide Moderator, via fax 203-378-7306, email [aoberle@sjcadets.org](mailto:aoberle@sjcadets.org) or mail (2320 Huntington Tpk, Trumbull, CT 06611). Freshman Guides will be selected and notified on Monday, September 17. **Once selected, Freshman Guides must attend two training sessions scheduled for Thursdays, September 20 and 27 from 2:20-2:55pm.** We will notify your coach if you have been selected for a freshman guide position and training interferes with your fall sport practice or team meeting.

For any questions regarding the Freshman Guide program, please contact Ms Oberle at [aoberle@sjcadets.org](mailto:aoberle@sjcadets.org) or 203-378-9378 ext 308.
