This recipe for homemade pineapple ice cream is so easy to make. Just blend and serve. Make it for a party, your kids or even hide it for yourself.

Ingredients

- 2 cup frozen Pineapple chunks
- 8 oz frozen Whipped Topping (like Cool Whip)
- 3 tbsp Honey or 2 tbsp Sugar
- 6 oz Pineapple Juice

Instructions

1. Blend all ingredients in strong blender or food processor until whipped.
2. If mixture is too runny, add 1/4 cup ice and process further.
3. Too look more like a creamy whip, transfer mixture to piping bag with star tip and pipe into cups.
