

## Temporary Supply Pastor – Part Time

Kirkridge Presbyterian Church in Grand Blanc, MI is currently seeking a part time temporary supply pastor. Our pastor of nearly 20 years is retiring and we are seeking a temporary supply as we navigate the process of calling a new pastor. We will consider contract lengths of 6 months – 1 year for this position.

### About Kirkridge:

Kirkridge is a part of the Presbyterian Church USA. We currently have an active membership of about 50 and our average age is over 70. Our primary language is English.

“Kirkridge is a community where people care for one another, and through us, God reaches out to our neighbors near and far.”

We live out this vision through our mission work in the community and beyond. Kirkridge works with several other area churches to expand our mission work despite our small size. Some of our mission work includes Food bank work days, assisting with food distributions, supporting the Grand Blanc outreach non-profit, We sponsor a Scouts BSA troop and actively engage with them on projects. We work with another church on collecting items for refugee resettlement, Collecting for FISH of Grand Blanc throughout the year and sponsoring families at Christmas. We ring bells for the Salvation Army at Christmas. We collect supplies and donations for disaster relief including the Gaylord Tornado, Midland floods, and hurricane relief. We collect backpacks and school supplies for local schools. Mission is definitely where our congregation shines.

Kirkridge is very community minded and works closely with pastors and churches of varying denominations in the Grand Blanc area. It is very important to us that we continue to nurture the relationships we have with these churches. We can do so much more together than individually.
