WELLESLEY RECREATION

Something for Everyone

****There will only be 1 court available for play****

Wellesley residents will need to show proof of residency upon arrival and check in at the office. This could be a license, stamped mail, etc...

When you check in you will be given a golden pickleball tag. You can hang your golden tag on the paddle to show that you've checked in and you are a resident.

We will not have a staff member placed in the gym to consistently monitor the tags. If there is an issue, please come to the office and let us know.
