

ONLINE HEBREW & JEWISH EDUCATION RESOURCES FOR FAMILIES

Please note that many subscription-based sites are now offering free resources to families for online learning during the COVID-19 pandemic. It's worth checking!!!

JUDAICS

www.bimbam.com BimBam uses digital storytelling to spark connections to Judaism for learners of all ages.

<https://www.myjewishlearning.com/> comprehensive information on Jewish religion and culture. Includes weekly Torah portions and commentary.

<https://www.jewishinteractive.org/> Jewish and Hebrew Education available for all children at home, in school and in-between (lots of free stuff due to COVID-19).

<https://pjlibrary.org/> Free Jewish books and resources for families

<https://www.jewishinteractive.org/kids-learning-at-home/> Free resources for online learning (with login) - interactive.

<https://www.youtube.com/user/shalomsesame> From the creators of Sesame Street, designed to teach American children to Jewish culture, Hebrew language, and the diversity of Israel.

<https://kids.nationalgeographic.com/explore/countries/israel/> National Geographic Kids' website on Israel

www.bermanhouse.com/playlearn - Berman House - Jewish Publisher (you need to set up an account, but then free) some online games

<https://www.chabad.org/kids> Lots of resources from Chabad with a strictly religious flavor.

<https://www.akhlah.com/> An Israeli religious site for Jewish children's learning (in English) with sections on Torah, holidays, Hebrew, and Israel.

<https://bje.org.au/course/judaism/kids/> Judaism Pages for Kids. Here you will find pages written specifically for children which explain various aspects of Judaism. (From New South Wales, Australia).

HEBREW LANGUAGE

www.hebrewthroughmovement.org - Hebrew Through Movement just like we did in school!
upload full curriculum at:

https://www.hebrewthroughmovement.org/uploads/1/0/1/2/10120788/htm_2018_update.pdf

<http://gratisglobal.com/learn-hebrew-free/> - very thorough and comprehensive clickable list of free online Hebrew resources and apps

www.bermanhouse.com/playlearn - Berman House - Jewish Publisher (you need to set up an account, but then free) some online games

<https://dictionary.co.il/> - lots of Hebrew tools, alefbet, grammar, vocabulary, pronunciation, and blog

<http://www.laits.utexas.edu/hebrew/page/welcome.html> - Hebrew video clips, learning resources and listening exercises, and some online games (in the Yours Truly section) from the University of Texas at Austin

<http://ilovelanguages.org/hebrew.php> - online lessons and vocabulary with audio for pronunciation

<https://www.youtube.com/channel/UCF2U1V4tWkjSnvJP6ZseBRQ> - the Learn Hebrew Free YouTube channel (I'm sure there are a million YouTube channels out there for practicing Hebrew)

<https://jr.co.il/hotsites/hebrew.htm> - Jacob Richman's website (Internet maven and website developer in Israel) dedicated to Hebrew resources with links to lessons, dictionaries, videos, radio stations, newspapers, songs, apps, etc.

FOR OLDER STUDENTS

(for Hebrew language resources, see above)

<https://www.hadar.org/> A New York-based educational institution that seeks to empower Jews to create and sustain vibrant, practicing, egalitarian communities of Torah learning, prayer and service. Features online Torah learning and resources.

<https://www.sefaria.org/> Use this site to find texts in Hebrew or English, such as sections from the Bible or Talmud, or search its vast and growing digital library of source sheets, organized by topic

<https://www.myjewishlearning.com/eli-talks/> Like TED talks -- but Jewish!

<https://www.ushmm.org/> US Holocaust Memorial Museum, lots of learning resources

<https://www.ojmche.org/educate/education/education-resources> Oregon Jewish Museum and Center for Holocaust Education - links to resources

<https://www.adl.org/education-and-resources/resources-for-educators-parents-families> Anti-Defamation League resources on bias, diversity, bullying, Women's History Month and more.
