

World Elder Abuse Awareness Day

Protecting Older Adults

Join the Coalition for Elder Justice in CT for a dynamic half day program marking World Elder Abuse Awareness Day. Open to professionals and community members, this event underscores the importance of protecting older adults, strengthening community response, and promoting dignity and safety for all. Engage with experts, explore emerging best practices, and contribute to a more just, supportive future for Connecticut's aging community.

This program has been approved for three (3) professional credit hours by the Connecticut Police Officer Standards and Training (POST) Council and for Continuing Legal Education (CLE) credit by the Connecticut Bar Association. Certificates of attendance will be provided on site or distributed electronically for purposes of documenting professional development.
