

CHIPOTLE GOUDA

CHEESE / PRODUCTS #15060, 15070, 15073

ABOUT THE PRODUCT

Boar's Head Bold® Chipotle Gouda Cheese combines classic semi-soft Gouda Cheese with rich smoky flavor and medium heat from Chipotle and Jalapeño peppers. Gouda has been produced since at least 1184, making it one of the oldest cheeses still being made today. Our Bold Chipotle Gouda Cheese transforms the traditionally mild cheese to a bold and savory experience. Boar's Head Bold Chipotle Gouda Cheese is made with pasteurized cow's milk from small dairy farmers in Wisconsin.

➤ BETTER BECAUSE

It is crafted with real Gouda Cheese that is infused with jalapeño peppers and chipotle spice, then hand rubbed with chipotle spice providing a rich smoky flavor with medium heat.

➤ FUN FACT

Jalapeño peppers generally range from 3,500 to 8,000 on the Scoville heat scale. They are slightly less hot but similar in taste to a serrano pepper. In addition to a spicy punch, a serving of jalapenos contains more vitamin C than a serving of oranges! ¹
