

COVID-19 Resources from Intalere

As your valued GPO partner, Intalere has developed and curated COVID-19 resources to help you. We will continue to research and develop resources to provide additional value to healthcare providers during this time. Current resources are outlined below.

Resources Available to Intalere Members

Operational Continuity & Emergency Management page on Intalere Member Resources.

All member content relevant to COVID-19 is posted on [this page](#) and is updated daily. **We recommend Intalere members bookmark this page for ongoing reference.**

Content includes the following and more:

- **Latest supplier news and product availability.**
- **Educational resources, webinars/recordings, slide decks and a Coronavirus Info Sheet.**
- **Conservation of supplies efforts.**
- **COVID-19 key supplier contracts for PPE, emergency management and more.**

Emergency response email.

If a member needs emergency assistance, the Intalere Emergency Response email box emergencyresponse@intalere.com is manned by Intalere's Incident Command Group.

Emergency response customer service line.

A member can call Intalere Customer Service at 877-711-5600; Monday – Friday, 7:30 a.m. – 6 p.m. EST.

- Our Customer Service team is trained and prepared to answer questions regarding COVID-19 and will triage requests accordingly.

Advisory Specialists.

Clinical expertise at your assessments around numerous subjects including facility assessment, PPE alternatives, infection control, safety and security, and much more. Please contact your local sales rep for more information.

Resources Available to Both Members AND Non-members

In addition to supplies and resources available to our GPO members, Intalere can help all healthcare providers with education resources and solutions to address some of your pressing needs.

1. Special solution pricing around key areas of need for healthcare providers.

- Optimizing human and financial resources
- Cybersecurity needs
- Cost management/Revenue cycle
- Standardizing data

2. COVID-19 Resource Center on Intalere.com.

Updated daily, the [COVID-19 Resource Center page](#) contains general guidelines, outbreak dashboards, plans, conservation strategies, World Health Organization resources, contingency planning, emergency preparedness, general education and more.

3. Education on physical environment safety for caregivers.

Our licensed and experienced experts can assist with assessments of facilities and equipment such as air quality, infection prevention/control, safety and security.

4. Social Channels.

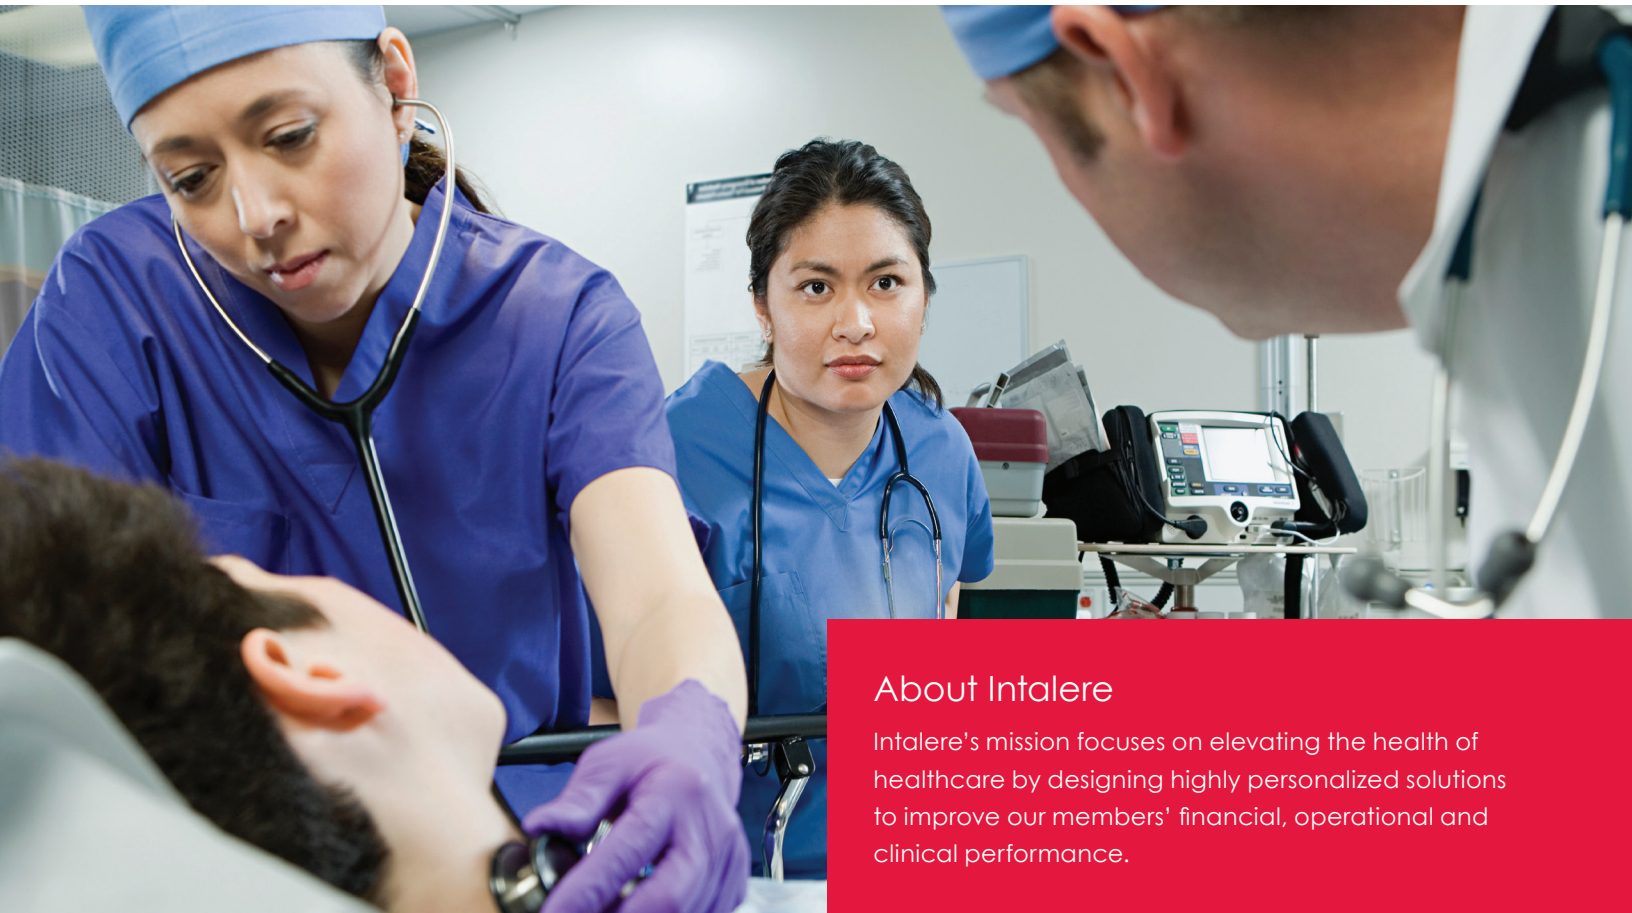

Follow us on [LinkedIn](#) or [Twitter](#) for supply chain news.

5. Intalere Blog.

The [Intalere blog](#) contains valuable information from our Advisory Specialists and how to cope with supply chain challenges, environmental hazards and more.

Whether you are currently working with Intalere as your GPO or not, we can help. We are standing by.

About Intalere

Intalere's mission focuses on elevating the health of healthcare by designing highly personalized solutions to improve our members' financial, operational and clinical performance.
