

## Cy-Hope Backpack Barn Crew

Program Director –  
Jennifer Palomo

Our Volunteer Barn Crew has nine devoted members; many have been with the Backpack Program since the beginning:  
Mark Hinze  
Albert Cummings  
Richard Lowsletter  
Terry Vaust  
Troy Harold  
Rodney Witthaus  
Matt Hubert  
Ken Winklemann  
Ken White  
Ron Wright.

These volunteers serve faithfully every week to load cars and ensure schools get their food. When a volunteer is unable to make a delivery last minute, they step up to help get the food to the schools. Ken & Terry also deliver to a school weekly and have been doing so for many years. Each week when volunteers come to bag food, many of this amazing team come alongside these volunteers to help get food ready for delivery. It is not just a school year gig either! Many come in the summer to help with summer to help with our summer feedings as well. In addition, Albert and Rodney come to help with the large delivery of raw materials from the Houston Food Bank, cleaning the barn, doing repairs and helping with facilities. They help with summer deliveries, food bagging, and work around the barn, often times several days a week. Albert does electrical work around the campus as well. They are all wonderful guys who make an effort to get to know the drivers and do whatever is needed to keep our program running smoothly.
