**Advanced RN Footcare Referral:**

Central CHC is pleased to be able to offer community-based RN footcare to residents in Elgin County who do not have access to footcare services through a benefit plan or other funding sources. This is possible due to the support and partnership of Thames Valley Family Health Team.

Client Name: \_\_\_\_\_

DOB: \_\_\_\_\_

Phone #: \_\_\_\_\_

Address: \_\_\_\_\_

OHIP #: \_\_\_\_\_

As these services are not unlimited, priority will be given to individuals meeting the following conditions:

- ☐ diabetes mellitus with neuropathy
- ☐ peripheral arterial disease
- ☐ non-diabetic related foot neuropathy
- ☐ arthritic conditions

Please attach an updated cumulative patient profile if available.

Service Access Challenges: (mental health concerns, mobility, transportation, etc)
