

Terrific Threes

I hope everyone enjoyed the winter break ! We are reading about bears and learning about hibernation. We are also learning that we are the hands and voices of kindness!

Literacy-

We continue to work on our names. We went fishing for the letters in our names.

We are reviewing letters learned to date.

The students are also using pre writing skills to write notes. They are pretending to read to the class.

Books

Where's my Teddy- rhyme and feelings

Bear Snores On- rhyme and sequence
