## WEEKLY NEWS

Is it me or is this year flying by at a very fast pace? We passed our 100th day of school and had lots of fun. The children made 100 google eye t shirts (thank you to Mrs. Criscuola, Mrs. Falter, Mrs. Jackson and Mr. Santamaria) who volunteered their time! The children also counted 100 steps from our classroom to see where they would end up. The guesses were quite humorous; some to the church! We ended up at Mrs. Wong's office! Students also paired up with a friend and completed exercises in terms of 100! We celebrated the Chinese New Year and Mrs. San had a nice presentation for the children. We read some books about it as well. Ask them to count in Mandarin for you! If this wasn't all, Groundhog's Day fit itself right into our classroom. Our guided reading sessions are coming along nicely; we are amazed with the growth thus far. DRA's will begin next week, please email me if you would like their score. By now, you should have received the report cards; questions are welcome. All students received a P in Computer!!
