

To: All Students Grades 5-8

Re: 2019-2020 St. Rose Basketball Season – **REGISTRATION DUE SEPTEMBER 6, 2019**

All boys and girls in grades 5-8 are encouraged to register for a team in the upcoming 2019-2020 basketball season. It is a great opportunity to have fun, improve your fundamental basketball skills and support your school by representing St. Rose in the Danbury Parochial League. This is a low pressure league where fun and fundamentals are the primary focus so please consider giving it a try. You might make some memories that will last a lifetime.

Here are some particulars of the program:

- The season runs from September thru early March. Practices are once or twice a week depending on gym availability. Games are scheduled by the league and are on weeknights.
- Tryouts will be scheduled, if necessary, based on the number of registrations received for each team. If tryouts are held no parents will be permitted in the gym during evaluations. An independent evaluator will select the teams.
- According to league rules 4<sup>th</sup> graders can only participate if there are not enough 5<sup>th</sup> and 6<sup>th</sup> graders to field a JV team. Notification will be sent to the 4<sup>th</sup> grade if spots are available.
- There will be a minimum play requirement for all league games (excluding tournament and playoffs) of two minutes per half for each player in good standing.
- If your child makes a team the fee for this season is \$265 (check payable to St. Rose School) plus the cost of a uniform (approximately \$60).
- **Every family is required to volunteer** during the season. A parent team manager will coordinate ticket sales, game clock, and scorer's book for each home game.

**\*REGISTRATIONS ARE DUE SEPTEMBER 6, 2019 \***

**A completed registration form must be submitted by this date and an up to date “blue” state Health Assessment Record must be on file with the School Nurse prior to participating in any basketball activities.**

**These forms can be found on the school website under the Athletics tab.**
