

LABOR DAY PARADE
Monday, September 2, 2019

Show your school spirit and join St. Rose School for the Labor Day parade. It is a time honored tradition for students to dress in school colors, red and white, and march down Main Street.

A team of parent volunteers will be building a float and help is needed! The theme is Service. If you can lend a hand to paint and decorate our float please email advancement@srles.com. They will be working on Saturday morning August 31st on the church grounds by the rectory/Knights Hall.

All students who march will get a dress down pass. Don't miss this fun day for our town and school.

Go RAMS!
