

March 22, 2019

Dear Parents,

Yesterday, 1M observed their first science experiment: Weather in a Cup! The class was able to observe and see how rainclouds work.

Our spring field trip is this coming Thursday, March 28th to the Common Ground Farm. All students should wear their GYM UNIFORMS and an appropriate jacket. We will be outside during this trip. Also, all students should have a DISPOSABLE LUNCH and DRINK. We will be having a snack before we leave the school as well so please send a snack into school as well. Thank you!

There is NO SCHOOL on next Friday due to an all-day Faculty Meeting.

Due to the field trip and having no school on Friday, we will be having a Review Week in Reading/Phonics/ELA. **There will be no Spelling Test in the upcoming week** and no new Focus Wall.

Spring Uniforms start on Monday, April 1st. Please see the school handbook for the uniform guidelines.

The Lenten Mission is on its way! Please be as generous as you can. Each raffle ticket is \$1 and there will be a weekly draw for prizes every Friday during dismissal. All of the collection money will be going to help the children in Ghana. **The winning class will get a reward!**

Please remember to send your child into school with their Blue Take Home Folder, homework, water bottle, lunch/snack, and coat.

Thank you for all you do!

Sincerely,

Miss Miksad
