

WEEKLY NEWS

Happy spring! This is always such a wonderful time of year. New life all around us and we can see with our own eyes all of God's great gifts! The bulletin boards in our classroom have been making the change from winter to spring! Noah's obedience ark is quite the display with all of the childrens' ideas on how to be a good person! Our Lenten Good Deeds board is quickly filling up. How excited the children are to come to school with a heart filled out with their good deed! The mission drive will continue to right before the break. Thank you to all who have contributed to help the children in Ghana! All of the money goes directly to them to purchase much needed school supplies. We continue learning new sight words in Language Arts and reading as much as possible. The sentences the children are writing are filled with great adjectives! Their handwriting is just beautiful with proper spacing, punctuation and capitalization! We enjoyed visiting the 4th grade State Projects and asking some great questions of our friends who entered the Science Invention Convention.
