# ST. ROSE OF LIMA SCHOOL

---

Rooted in Faith. Thriving in Academics.

# **SAFE, STRONG, SUSTAINING**

- Working hard ensure safe, engaging on site learning AND implementing dynamic distance learning curriculum for remote students and for all when the need arises
- Impressive record of days IN the classroom since September
- Kudos to Nurse Bonnie, Faculty, Parents and Students for incredible Teamwork in making this possible
- Special shout out to our teachers who are working tirelessly to be sure that every student excels. They go beyond the call of duty every day; I am honored to work among them and witness the results of their labor on a daily basis.

# OPERATIONAL UPDATES

- Enhanced our resources to ensure that all students have access to the BEST learning materials for in classroom and online learning. These adjustments were necessary and will sustain for many years.
- Boiler issue -- working with a company that has been very good about repairs to keep us going but the unit will need to be replaced soon. Investigating options for cost and timing.

# IOWA EXAMS

- Standardized testing important for student assessments
- Will be administered electronically this year; if on site tests will be proctored by teachers; if at home students will be on the honor system
- Timeframe -- testing during the month of March; results will be sent home With final report cards of the year.
- Implementation details will come directly from teachers
