

April 12, 2019

Dear Parents,

International Week was an exciting week for 1M! On Monday, we started off the week with the Flag Ceremony and Peace Prayer. On Tuesday, we were able to listen to John's nana speak about the culture of England dressed in our red, white, and blue. On Wednesday, we visited Passport Day with our 5th grade buddies. 1M was able to learn about several different countries including Mexico, Ireland, England, Japan, Greece, Germany, and Albania and get their passports stamped. On Thursday, our 5th grade buddies visited our classroom and Mrs. Damalas taught us how to say and write numbers in Greek. And today, we closed our International Week celebrations with both a school Mass as well as an assembly full of joy and of course, The Beatles! It was definitely a week that we will always remember!

I want to thank Mrs. Monckton for all of her hard work and dedication. The England display in the Gathering Hall looked awesome. I hope many of you were able to see it during the International Dinner. I also want to thank the parents who contributed items or decorations for our table. It was much appreciated!

To fully enjoy your Spring Break, I will not be giving a Spelling Test during the first week back from Spring Break (Week of the 23rd). I will start Lesson 25 but we will have the Spelling Test on Wednesday, May 1st instead. I will give the words out on either the Tuesday or Wednesday that we return back to school.

1M will also be having a Math Test on Friday, April 26th. We will be reviewing throughout the week.

I hope you all have a wonderful Spring Break!

Sincerely,
Miss Miksad
