

## **Faculty Notes Continued**

Our beloved Mrs. Bokuniewicz will now be the 5<sup>th</sup> Grade Homeroom teacher in addition to continuing her key role as Dean of Student Life.

Ms. Claire Miksad is no longer with us, we appreciate her time at St. Rose School and wish her the best going forward. I am delighted to welcome Mrs. Stacey Cronin, the new First Grade teacher, who has a strong background in Early Childhood education and will be an asset to our Primary team.

In the Preschool, we are blessed that Ms. Paige Robinson, the very first Preschool teacher at St. Rose School, will be sharing her extensive experience and genuine love of this age group with our Transitional Kindergarten (Preschool 5's) students. Mrs. Karen Wojtowicz, who has been with us for 11 years and has a wealth of knowledge to offer, will teach the 4-year-old class. We welcome Mrs. Susan Vezos as the Preschool 3-Year-Old Teacher, she comes with solid experience in this age group.

We are sad to say goodbye to Ms. Amanda Delaney, another long-time teacher who inspired joy and learning in our Preschoolers, but we wish her happiness in her new position and hope she will be back to visit from time to time.

Mrs. MuMu San has accepted a full time position at Immaculate High School. We are grateful for her years teaching Mandarin at St. Rose School and wish her many blessings in this new chapter of her life. We are actively seeking a Part Time Mandarin teacher and are working with an agency that specializes in finding foreign language teachers. We are committed to putting a qualified person in place.

Resource teacher Mrs. Karen Maloney is on to new beginnings at St. Thomas in Fairfield; we are thankful for her service to St. Rose School.

Mrs. Carlie Meyer accepted another position and we wish her well; we are actively seeking a Part Time Guidance counselor and are confident that the right person will be identified shortly. In the meantime, we are working with social workers through the Diocese to address all important issues.

Mr. Joe Alves, our custodian, was a steady presence through the years; we wish the best to him and his family going forward.
