Course Description and Outline

Civics First Mock Trial State Competition: Attorneys coach upper grade students and prepare them to compete in a mock trial on a local and regional level. Attorneys will decide student placement for mock trial.

Upper grade students learn the basics of law, trial preparation and procedures from the perspective of the attorney, defendant, plaintiff, and witness in a live mock trial competition. Our teams have successfully won their rounds and advanced to the semi-finals in the last few years. To learn more about the program, please visit the website: www.civicsfirstct.org

Our first introductory Mock Trial for parents and students will be announced soon. The purpose of this meeting will be to provide the parents and students with a general overview of the St. Rose Mock trial Program for 2019 – 2020.
