

Dear Families,

It is with great joy and sadness I return your children to you. They have grown in so many ways: Academically, socially, emotionally, and spiritually. It has been a pleasure to have been your child's teacher this year. Your children will forever be in my heart.

Looking back this week, we had a great time celebrating with each other in so many ways. Once again, our class party was fabulous and the children had so much fun thanks to all your efforts. A special thanks goes to Mr. Gelson and Mrs. Monckton for coordinating the events.

Our field day on Wednesday was memorable. The children especially loved all the water games. A special thanks to Mrs. Caterson for coordinating this great day along with the many parent volunteers.

Thursday was our day to clean our classroom and wrap up any last minute activities. We ended our day visiting third grade with our traditional Moving Up day. The children also wrote letters of advice to the incoming 2nd grade along with their top 5 things they loved about 2nd grade. We also generated quite a list of all the years activities. They were amazed at how much they have accomplished.

We ended the week and our time together in our favorite way which is going to Mass.

I am blessed to be a part of a generous family and I am truly touched and humbled by your outpouring of gifts and sentiments.

God bless,

Mrs. Heyder

Once again, it has been a privilege to be your child's 2nd grade teacher. Thank you for allowing me to take care of them and watch them grow in love and faith in God.

I wish you and your family a fun filled summer. I hope you cherish spending time together and I look forward to watching them grow and learn in future years to come.

God Bless,  
Mrs. Heyder
