

## **Robinson's Rock Stars**

## **Weekly News**

---

This week the children learned that friendship is a gift from God. We discussed why friends are important and what we like about our friends. We also had a lesson on “tattling”. The children learned that unless someone hurts their body or **TRULY** hurts their heart, they need to work it out amongst themselves. And of course we have a song called “Work it Out” sung to the tune of Taylor Swift’s “Shake it Off”!!!
