

## WEEKLY NEWS

Thank you, thank you, thank you! We won the Knights of Columbus coat drive with 47 coats going to those in need. What a great feeling to know that you are helping someone less fortunate than yourself. We will have a fruit and juice box party in the near future complete with a movie and something from the treasure box for everyone! We also submitted 500 box tops which entitles us to a dress down day! More information to follow about both of these exciting things. I continue to be impressed with the behavior of the children at Mass; such a joy to see such youngsters so reverent. We have begun our random acts of kindness, and will go full swing next week. We are beginning work on our vowels; please practice the sounds at home! The DRAs are now complete; I will share your child's score with you at conferences. Please continue to read to your child each night; it is time very well spent and the rewards will be many! The children have completed their work with number 10; we will be counting to 50 over the next week. They are following directions beautifully!
