

## WEEKLY NEWS

Happy Catholic Schools Week! This is always such a fun and happy week. We kickoff on Sunday with the open house! Please invite your friends and neighbors to see our wonderful school. We celebrate all the holidays!!! As you know, my three children are graduates of St. Rose and I continue to see to this day the positive effect their education has had on their lives. Please consult Mrs. B's letter about all the fun happenings! I will send you an email each day detailing the next day's activities. This week we enjoyed learning about bears and their hibernation requirements. We are amazed with the progress of the children. They are reading and spelling with such enthusiasm! The report cards have been printed and will be coming home shortly. FYI, all children received a P in Computer as it is no longer a special and the grade comes from me. We have just begun using the Ipads a short time ago. If you have any questions about your child's grade in any particular area, please let me know. Round 2 of DRA's will begin in 2 weeks; I can't wait to see the growth!

### DATES TO REMEMBER

**January 27 - Open House at St. Rose - 1 to 3 PM**  
**Catholic School Week begins on the 27th. More information to follow about all of the fun!**  
**Monday - January 27 - Wear Red and white or one or the other! Pig Races 1PM, all are welcome!**

### SIGHT WORDS

I	me	am	their
You	be	a	an

### REMINDERS

Please be careful when sending in a snack that it is on the approved list. We have had a few recently that were not allowed in the class. Thank you for understanding! Please return reading books in bag with log sheet.

Math - Putting together and taking apart 10, Math review and test

L.A. - Verbs and more verbs, spelling of sight words and CVC words, writing sentences

Religion - Noah's Ark (we didn't get to it last week) and more Bible stories

Science - We missed Science on Monday, so the volcano it is....
