## High School Placement Test Prep Course

**Instructors:** Ms. Vertucci (ELA) and Mrs. Cicarelli (Math)

**Dates:** Mondays: September 14, 21, 28; October 5, 19, 26

Tuesday: September 8 (due to No School on Monday, September 7)  
October 13 (due to No School on Monday, October 12)

**Time:** 3:00 pm to 4:00 pm

**Cost:** \$175 via check made payable to “St. Rose of Lima School”.

**Deadline to Register:** Wednesday, August 26, to ensure the books come in on time.

This course will prepare students for the HSPT high school placement tests, which are used for admissions into area Catholic high schools. The course runs for 8 sessions. The cost includes a test prep workbook in addition to the instruction provided in the sessions. The course will cover all question types and will include test-taking strategies. **Please note that the course focuses on types of questions and test-taking strategies. Some content will be reviewed for practice; however, the course is not intended to teach content.**

**The class is planned for after school in the portable classrooms (socially distanced). In the event that we move to Distance Learning at any time during the course, the course will be conducted virtually.**

Please complete the attached form and return, with check for \$175, in an envelope marked “HSPT Prep Course”. These can be dropped off at the school office or mailed to the school at 40 Church Hill Road, Newtown, CT 06470

We are offering this course to help “coach” our students and help them feel prepared for taking these tests. We do not guarantee score outcomes as there are many variables when it comes to standardized tests. Our instructors plan to teach strategies on how to read and process questions; and will give a practice test at the end; that they will then review with the students..
