

Dear Middle School Students,

Wow! We have gone through 3 full weeks of distance learning! We are all so very proud of your efforts and how well you have been able to adapt to the change in your routine. We want to thank YOU for doing your best in this new reality we find ourselves in.

We want you to know that we are working so hard to “get it right”- the workload, the expectations for learning, and the balance of work time, downtime, playtime and above all : **family time**. You are a part of our family as well. Seeing you online, hearing your voices and keeping in contact with you has been extremely important to each one of us.

We have worked with you to set up routines for your online classes. Routines are important. As you know, we will be on break from April 6- 17, and quite frankly, we will miss those routines with you. We want to plan some “check-in” time. What does that mean exactly?

Below you will find a schedule, by grade level, that includes information on when you can check in and simply say hello. You can share what you have been reading, a craft you are working on, games you are playing with your family, a favorite recipe- whatever you would like to share! We are going to miss you and just want you to check in with us and let us know you are doing fine.

The entire middle school team along with other teachers or school personnel are invited to join these meetings as well. This is a great opportunity to see some faces that you have not seen in awhile and to spend some time with your school family.

We continue to keep you and your families in our prayers. This coming week is a very special week in our faith. Please remember to keep your love of God close to you and to remember all those who continue to work for our well-being over this blessed Easter.

We wish you and your family a Happy Easter and look forward to seeing you online soon!
Blessings from the Middle School Team,

Sister Thaddeus, Mrs. Petrillo, Miss Smith, Miss Vertucci, Mrs. Quinn
