

# ST. ROSE OF LIMA SCHOOL

Rooted in Faith. Thriving in Academics.

## Summer Skills *Reinforcing Your Child's Learning over the Summer*

St. Rose of Lima encourages our students to be "life-long learners" and to build a work ethic that is both disciplined and yet fun. We want our students to enjoy the summer days, but we encourage the practice of basic skills during the summer break so as to not lose them. It is also a great way to build confidence since this should be curriculum already mastered during the school year.

If you are interested in ordering Summer Skill Math Sharpener Books or a Summer Language Arts Review, please fill out the order form below and send with a check to the Office at St. Rose. Please mark the envelope "Summer Skills." **The deadline is May 29, 2019**, and the books will be given to your child during the last week of school in June. This is not mandatory, but encouraged. The books have an answer key in the back for immediate self-check. The books may be previewed in the Resource Room.
