

WEEKLY NEWS

January is always such a cold, dull month except if you are in Kindergarten! This is the time when we learn about penguins and polar bears, do our freezing and melting experiment, read lots of snowmen stories, journal about what we learned, make winter crafts and examine our weather! Our bulletin boards turn into winter wonderlands! We also will learn about Martin Luther King Jr. and write a journal piece about, "I have a dream...." which will adorn one of our boards. Catholic School Week is right around the corner. Thank you to the children who have signed up to help on Sunday the 27th! Please spread the word about what a special school St. Rose is in the community. We have so much fun during the week and one of the most popular are our pig races! Stay tuned for details about all the fun! Thank you for bringing in all of the box tops, we have hit another 500 mark which means another dress down day. I might hold off until February for that one! The bottle collection is now about \$125 for the year, keep them coming! Stay warm and wish for snow!!!

DATES TO REMEMBER

January 14- Dentist visit
January 17 - Sock Snowman Day at 1:15
January 27 - Open House at St. Rose - 1 to 3 PM
Catholic School Week begins on the 27th. More information to follow about all of the fun!

REMINDERS

Show and Tell every Friday!
 We will not be going to Mass for a while due to construction. Please also return library books each week as your child cannot take another out unless the other is back. Please return reading books in plastic bag with log!!

Religion - Bible stories, kindness deeds
 Math - Introduction of subtraction, patterning
 L.A. - more sight words, lots of reading, journaling and parts of speech
 Science - freezing and melting
