

Good morning,

I hope this note finds you and your families well.

It is hard to believe April is almost over and we are fast approaching May, a time where we, as a school community, recognize our Grandparents and Special Person's in our lives.

This event has been near and dear to my heart for the last 12 years. I am certainly sad I will not be able to host this event for my last year at St Rose but our school is resilient and we will not let a quarantine impact honoring the special people in our lives.

Mr. G, Mrs Bee and I have reserved May 8 to virtually honor these special individuals. Since we cannot have a traditional in school celebration, we have planned a few surprises which we need your help with.

1. We created a private Kudo Board to recognize all our Grandparents and Special Persons. Please have your child write a personalized note, create a short video or capture a picture of your child drawing a chalk image on the driveway and upload their note/video/picture to the Kudo Board by **May 6th**. I included a sample note with a picture box (PDF attached) which will guide our younger children but feel free to be as creative as you want.

Here is the link to post any message, picture or short video:

<https://www.kudoboard.com/boards/W4Nlrv26>

2. We are making a video to share with our school, Grandparents and Special Persons. Please provide me 1 to 4 pictures of your child with their Grandparents and/or their Special Person (i.e. Aunts, Uncles) by **May 1st**.

When you reply back to me with the photos please include the following:

1. **Your Family Last Name**
2. **Up to 4 photos**
3. **Home address of the Grandparent and/or Special Persons**
4. **Email address of Grandparent and/or Special Persons (for video distribution on May 8)**

We will be sending a gift in the mail to the Grandparents/Special Person's in the middle of May so please provide their home addresses so we can facilitate the distribution of the surprise. If you have any questions do not hesitate to contact me via email or cell. Thank you for helping making this day special and God Bless all of you!

Warm Regards,

Lisa Ghosh (Parent of an Alumni and 8th Grader)
