TWO ALTERNATIVES FOR THE SUMMER SKILLS REVIEW BOOKS

Avoid the summer learning loss!

We are once again offering the Reading and Math Summer Skills Workbooks from St. Rose. These books are a great tool to keep your child's skills sharp over the summer and prepare them for next school year. As an alternative there are also review books to order from Amazon entitled, Summer Bridge Work - We are not taking orders for these books. Parents can independently order these books right from Amazon and they will be delivered to your home. These books contain grade level Reading and Math skills together in one book.

We recommend you order your child's current grade to review curriculum that has been taught this year.

The summer review books ordered from St. Rose range from Pre-K to High School and the cost is \$19. They contain over 35 single subject lessons from the curriculum. The workbooks are an effective resource especially if your child is working with a tutor over the summer.

To place an order for the Reading and Math Skills Workbooks, please send in the form and payment to the office. Checks should be made out to *St. Rose of Lima School*. The deadline is May 29, 2019. Your child will receive their books in school by the first week of June.
