

SRS Distance Learning Expectations

To help distance learning be beneficial and workable for both students and teachers, we that you encourage your child to follow these expectations for Distance Learning:

- *Students should not join a class meet until the time scheduled by the teacher; and once logged out of the session, should not return until the next live lesson is scheduled.*
- *Students should join a class meet with their camera on and their mic muted.*
- *Cameras must be on; teachers need to see students as they attend class and participate.*
 - *Students who are not on camera are considered absent.*
 - *If your child is experiencing problems with the camera on their computer, please contact their teacher.*
 - *Students are not allowed to use backgrounds when in a classroom meet.*
- *Students should be sitting at a desk or table while on their class meet; they need to be attentive and need a work surface for taking notes and completing any classwork given by the teacher during the meet.*
- *Students should consider all time, in the class meet, as if they were in their classroom in the school building.*
- *Students may dress casual*
 - *No PJ's*
 - *All t-shirts, sweatshirts with logos and wording must be school appropriate.*
 - *Students should not have hoods on or wear a hat while on camera.*
- *Students should not have pets or toys with them while on a class meet.*
- *Students should not be eating or drinking while on camera, this includes candy and gum.*
- *Students should not be leaving virtual classes to use the bathroom; there are a number of breaks and time between class meets to allow for bathroom breaks.*
- *Attendance is necessary for success.*
 - *Attendance is taken throughout the day at the beginning of each live lesson.*
 - *When live lessons are in progress, timely attendance is expected so that no instruction is missed.*
 - *If there is an emergency that prevents attendance, please email the teacher as soon as possible.*
- *Students should attend their sessions, on camera, as scheduled; parents can be present in the room.*
- *Students should be in a common area of the house, they should not attend classes from bedrooms.*
- *For confidentiality purposes we remind parents that the Google Meet is live and when the mic is on, students can hear what is being discussed; so please refrain from engaging in a discussion with a teacher at this time.*
- *We kindly ask that parent questions and comments be sent via email and not asked during live lessons or put in the chat.*
